Response Dated October 24, 2017
File No. 001-36403**

Dear Mr. Chen:

We have reviewed your October 24, 2017 response to our comment letter and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to these comments within ten business days by providing the requested information or advise us as soon as possible when you will respond. If you do not believe our comments apply to your facts and circumstances, please tell us why in your response.

After reviewing your response to these comments, we may have additional comments. Unless we note otherwise, our references to prior comments are to comments in our September 28, 2017 letter.

1. We note your response to prior comment 1. In your amended Form 20-F, please revise your disclosure to highlight that the trading price of your ADSs has declined during the two-year pendency of the going private transaction.
2. With respect to your response to prior comment 2, your proposed disclosure states that the special committee is continuing to negotiate the potential terms of the going private transaction with Yunfeng Capital. Please address any prior or current dealings between iKang (and/or its chairman) and Yunfeng Capital (and/or its co-founders) that do not relate to Yunfeng's non-binding proposal letter.
